It was an improved showing by Gawler's division 2 side, falling by the narrowest of margins on the road to Adelaide. It was the four of Skuse, Ransom, Kirby and skipper Kubisch that nearly got the team over the line with a dominant 15 shot win and with Darren Hunter's crew finishing 5 shots up and yet to lose their rink, a percentage boosting win at home this week against Ascot Park is a must.

Although splitting the rinks 2-2, the division 5 Red team posted a 25 shot win against visiting side Two Wells. The four of May, David Moncrieff, Rogers and newly promoted skip, Trzeciak were very good with an 18 shot win. However, bragging rights go to the four of Fuller, Turner, Warland and Kay Moncrieff who were even better, finishing the day 20 shots up.

Div 5 White posted their first win of the season with a 22 shot victory over Prospect Broadview. Taking 14 of a possible 16 points, it was a convincing win that will hopefully kick start their season. Shirley Branson's crew took their rink by 10 shots and the four of Wilton, McConnell, Cousins and Gillies were best performed, notching up a 13 shot win. Moving from the bottom of the ladder, they now hit the road to take on Two Wells.

The Div 7 proved too good for home team Penfield, 16 shots up when time was called.
Never an easy place to bowl, they took 2 of the 3 rinks with the four of Houghton, Woolman, Woods and Fielden runaway winners with an impressive 33-17 score line.
With away wins particularly valuable, they return to home turf this week to hopefully consolidate their early top 4 spot.
