Bouncing back from last week's poor showing, Gawler's Div 1 ladies got back on the winner's list with a 15 shot win over Modbury.
With 2 rinks up and drawing the third, they banked 11 of a possible 12 points to hold on to a top 4 spot. With little separating mid table positions they need a strong showing this week against fellow top 4 aspirant, Semaphore.
Taking the rink count 2-1 wasn't enough for the Div 3 ladies to defeat Semaphore, going down by 5 shots. Tight rink wins to the fours of Kathryne Buckley and Di Marsh earned the side 4 points to keep their season alive. They too will be looking to continue good recent form when they step out on to home turf this week.
