## Rink Draw

The drawing of rinks will take place seven (7) days prior to the event.

The draw will be witnessed and recorded.

## Head Inspections

**FOURS:** Leads and Seconds will not be called to inspect the head.

Thirds may be called to inspect the head immediately prior to delivery of their final bowl.

Skippers may inspect the head immediately prior to delivering their final bowl.

**TRIPLES:** Leads will not be called to inspect the head.

Seconds may be called to inspect the head immediately prior to delivery of their final bowl.

Skippers may inspect the head immediately prior to delivering their final bowl.

**PAIRS:** Prior to the delivery of the player's final bowl only.

**SINGLES:** Players may inspect the head immediately prior to the delivery of their final bowl and, may follow their third bowl only.

In all cases of "Head Inspections", the opposing opposite team member or their next to play may accompany the player inspecting the head providing that the opposing team member returns to the "mat end" prior to the next bowl being delivered.

Regarding "Following a Bowl", any player may follow their last bowl.

## Absentee Player / s

**Period of Grace:** Upon the expiry of 15 minutes from a posted starting time and / or starting bell, any game not commenced due to the absence of players, will be forfeited to the opponents. All opportunities to "get a" player must be exhausted within this time restraint. Any player may be substituted providing the Substitute Rules above are followed

**Singles / Fours** If at the starting time / starting bell:

- Round:**
- A single side member is absent, and an allowable substitute is not available, the Fours game will commence utilising all four team members present.
  - Two or more side members are absent the singles game will commence utilising a player not having taken part in a previous Singles game.
  - Players that arrive after the "Grace Period" are not eligible to compete in the round of bowls being played. They are eligible to play in subsequent rounds.

**Pairs / Triples** If at the starting time / starting bell:

- Round:**
- One or two side members are absent, and an allowable substitute is not available to make up the full side compliment, the Triples game will commence utilising team members present.
  - Only two side members are present the Pairs game will commence.
  - Players that arrive after the "Grace Period" are not eligible to compete in the round of bowls being played. They are eligible to play in subsequent rounds.

**Forfeits:** A Side will forfeit any game where a full complement of players for a particular discipline is not supplied within 15 minutes of the posted start time / starting bell. Arrival of players within this time will allow a team to arrange playing positions as they desire *except* for replacing a Singles player / Pairs Teams (also see "Absentee Players" above).

**Forfeit Scoring:** A team being credited with a Forfeit will score 20 points for a win and 75% +1 ends. For example, in a game of 16 ends the team credited with a forfeit would receive 33 points. (20 for win, 12 being 75% of ends plus one bonus end.)  
A side must have a full complement of players available for play at the posted start time / starting bell to claim a forfeit.

Notwithstanding any of these conditions, non-conflicting laws contained within the "Laws of Bowls" are included.

These conditions have been developed with the spirit of the Game of Bowls and the weekend in mind.
