

After a tight 4 shot loss to West Lakes in a catch up game on Tuesday, Gawler's division 1 ladies hit the road 2 days later to take on Somerton. In cold and blustery conditions, the home team proved too strong, taking 2 of the 3 rinks and finishing the day 21 shots up.

The four of Val Clark, Jackie Goodrich, Kay Skuse and Dawn Warland took their rink 20-15 to bank 2 valuable away points. It now faces Morphett Vale on home turf and with the visitors sitting only 3 points above the Gawler team, all rinks and all points this week is a must.

The division 3 team, after being thumped by Two Wells in their delayed game, hit back in style with a 38 shot win over Playford.

With persistent rain being a factor, the Gawler side had all the answers, taking all 3 rinks by good margins.

The four of Karyn Sellars, Gladys Cliff, Mona Lacey and Wendy Wright turned into a 3 as one of the Gawler bowlers walked off the green, refusing to bowl in the damp conditions. Despite this set back, the remaining 3 bowlers took up the slack showing great resilience and determination to take the rink in impressive fashion with a 20-5 score line.
