

BOWLING ETIQUETTE

Etiquette is a code of behaviour whereby individuals treat one another the way they would like to be treated. Breaches of etiquette are sometimes wilful, and sometimes inadvertent. Particularly in the latter case, injured parties should avoid overreacting, or else a breach of etiquette more objectionable than the original could occur.

Etiquette is an important part of Bowls and all clubs and their members should not only practise it, but inform new members of the proper and expected behaviour on the green and in the clubhouse.

Thoughtfulness and **Common Sense** are the keys to etiquette.

Rules of Etiquette for Lawn Bowling include (but are not limited to):

1. Players and spectators at the head end should stand still and keep quiet.
2. When it's your team's turn to bowl it's your mat and head, your opponents should be away from both, if they are not ask them nicely to move.
3. Wait for your skip to tell you which shot you should play, keep up with play at all times.
4. There should be no trespassing into neighbouring rinks; this includes going to or from the clubhouse, moving to better see the jack, and particularly when walking from one end of your green to the other. Please be aware of others playing. If you are helping your teammate aim, do not infringe upon neighbouring rinks.
5. Walk up the centre of the rink with minimum delay, if it is not your team's turn to bowl **DO NOT STOP TO CHAT IN THE MIDDLE OF THE RINK, IT'S NOT YOUR MAT OR HEAD.**
6. After bowling each bowl, step off the mat to the right. As you approach the mat to bowl, do so from the rear left. Though not essential, this is a useful habit of convenience to avoid collisions!
7. Always show good sportsmanship by acknowledging a display of good skill by another bowler.
8. Never applaud lucky shots, never complain about lucky shots, and admit a lucky shot with good grace. Do not say thanks for a bad shot that goes your way.
9. Do not criticize the playing surface.
10. Do not criticize the performance of colleagues. No one plays a bad bowl on purpose.
11. Avoid delaying play by leaving the rink without the knowledge of the other players.
12. Avoid interfering with the head until the results of the end have been agreed upon.
13. If an Umpire is called, move away, **you're done**, his/her decision is final.
14. Bowlers should shake hands at the beginning and the end of a game.
15. Be a gracious winner and a good loser.
16. The plinth area of the green is fragile and should be treated with care. This includes, but is not limited to, wearing proper footwear, not dropping or tossing bowls on the green, and not spitting or pouring liquids (water, coffee, etc.) on the green.
17. Punctuality for all games is a courtesy to the other players.
18. While standing at the head end waiting for the player on the mat to bowl, stand between the markers so the bowler can see and use the markers to aim.
19. Generally, the third or skip at the head will signal the bowler on the mat the position of bowls in the head using hand signals denoting for and against.
20. Watch the end unfold, helps when receiving instructions from the head.

21. Do not walk in front of a player who has just delivered a bowl when changing ends, they have the right to follow the path of their bowl.

20. Bowlers not marking cards after an end should assist by kicking the bowls past the position of the mat placement (at least 1 metre).

21. Players at the head end should be ready to stop deflected bowls from crossing into the adjacent rink and interfering with neighbouring games; likewise, be alert to prevent bowls from adjacent rinks from messing up your own head. **Pay attention!**

22. No rules prohibit bowlers running after their bowl (enthusiasm nor youthful fitness is discouraged) but you must try to arrive at the head **before** your bowl stops. Some clubs consider following your bowl up the green poor etiquette.

23. One minute between the time when the opponent's bowl stops and the next bowler delivers his/her bowl should be sufficient. When there is clear violation, an umpire or club official who is notified should act.

24. Appropriate bowlers are urged to have chalk/spray and a measuring tape available so that bowls that touch the jack can be immediately marked and, if necessary at the finish of an end, measuring can be undertaken without delay.
