

Come and Try Bowls

At the moment we do not run an official Come and Try Session as such as there is not the demand, BUT I am willing to ensure introductory assistance initially until enough confidence is gained to join into our Social Wednesday and Saturday Bowls and maybe into Summer Night Owls or even Pennants.

At this stage I would suggest the best idea would be to come to The Bowling Club on any Wednesday or Saturday afternoon as this is when we have Social Bowls and can assist learners as well. (gather from 12:00 onwards to play at 12:30) If the interested person lets me know when they may be visiting I can ensure they are welcomed.

We have a very good selection of bowls for interested people to use and all you require is flat sole footwear. Any costs can be organised after initial introduction as can be on a casual basis or as a Restricted member or as a Full member, further down the track.

If you wish to try out with an experienced bowler to work on basics prior to attending Social Bowls then please let me know and this can be arranged for you.
