

The division 5 Red team finished the season in style, taking the pennant by 24 shots against Two Wells. Playing on neutral turf at Modbury, the pace of the green, due to overnight rain, was slower than Gawler's greens but was this balanced by it still being quicker than Two Wells' home ground. While the final was, at times, tense with not a lot separating the sides, Gawler, end by end, slowly and inexorably drew clear. The four of Bob Fuller, Darrell Turner, Dawn Warland and Kay Moncrieff, big winners in the semi final were the standouts again, posting an impressive 11 shot win. Shirley Branson, a late call up from the White team, proved up to the challenge, guiding her charges to a 3 shot win, experienced skipper, Brian Lacey, with an equally match hardened crew finished 5 shots up and Paul Trzeciak lad's were too good for their opponents, running out 5 shot victors. Spending just the 1 season in division 5, the team returns to division 4, starting again in October. Clearly the best side in this division and with settled players in all positions, the challenge next season will not merely be to stay in division 4 but to push for finals once again.
