

Gawler's Div 1 ladies were outclassed at home by Modbury, succumbing by 25 shots. Dawn Warland's girls had a tough struggle to get up on the last end with a 3 shot win to grab 2 points for the team. Dropping out of the top 4 to 6th spot on the ladder, they have a good chance for redemption this week when they travel to take on 8th placed Semaphore. A good win could see them back in the mix for a finals spot.

Winning only 1 rink, the Div 3 were fortunate to win the day, 2 shots up when time was called. The win came courtesy of the super consistent Sandie Raggio and her ladies, 13 shot winners. Losing only 1 game since they have come together, this four deservedly hold 2nd spot on the skip ladder.
