31<sup>st</sup> August 2018

The Board of Management of the Gawler Bowling Club have moved to introduce a new competition on Tuesday nights. With the decreasing numbers in the present system, there was a need to broaden the competition to welcome those players coming to the Club, and wishing to play together as a team.

As a consequence, initially the competition will run for nine weeks, commencing on 9<sup>th</sup> October at 7 pm. Entry fee will be \$15 for a team of three. No bats will be involved, and a set team of three players will play against different teams each week, with prize money awarded every week. Two games per night would still be the format. Individual players indicating an interest would be joined with other individuals to form a set 3 person team.

Only one pennant player per team would be allowed. Bar facilities would be available, as well as a sausage sizzle before the game and after the first game, .

The Board of Management's aim is to get at least 16 teams, so we welcome your entry of a team, as well as any other friends/family you know, who may, or have shown an interest. Please contact Maryann Selleck phone 8522 3702 or 0438 600 148 for further details or to enter your team, which we ask to be given a fun or novelty name.

The success of the nine weeks will determine whether the competition in that format will continue after Christmas.

Yours sincerely

Maryann Selleck
