

Expected to win but with no guarantees in this cut throat division, Gawlers Div 1 team notched up it's second win of the season with a 23 shot victory over Modbury. Made more satisfying as it was on their opponent's home deck, they took 3 of the 4 rinks with Shane Bevin's lads particularly impressive with a 27-9 score line. With points tight in the lower half of the table, rink wins and shot differentials will become important as the season progresses.

The Div 4 had a ding dong battle with West Lakes which ended in a draw. Also in a tussle with their opponents for a spot in the top 4, the splitting of points sees the Gawler team maintain their 4th position. Dawn Warland's four got up by 4 shots and Ross Kirby's crew had a good day out, winning 26-10 to continue their good form.

The Div 5 also kept their hold on 4th spot with a 21 shot victory over Salisbury white. Kingsley Branson's boys put on a clinic to win 33-9 and Peter Jones four, always competitive, got over the line by 4 shots. Next week will see the team tested when they host top side Playford red.

After some good early season form, the Div 6 find themselves struggling, falling to Hope Valley on their home green. They would have been disappointed with 44-76 score line and only the four of Richard Fritz were close, down by 2 shots at the end of play.
