

Unable to match it with a Tranmere on their green, Gawler's Div 1 side finds themselves hovering at the foot of the ladder.

Defeated by 15 shots, only Phil Marsden's lads could chalk up a win. A good showing at home against ladder leaders, Lockleys, is a must this week. To survive in this cut throat division, total commitment from all players is imperative.

A depleted Div 4 side produced a great result with a 27 shot win over Clearview. With all rinks up and taking the maximum 16 points, it sees them move into the top 4. Teresa Dean, in a return to the skipper's role, guided her charges to a 26-11 victory to be the standouts.

The Div 5 put up a good fight but ultimately fell short by 5 shots, on the road to Hope Valley.

Peter Rogers' crew continued their good form with their second consecutive win and Margie May's four were the best rink on the day. In what is shaping up to be a very tight division, every rink win will be important.

Although playing at home, the Div 6 were outmuscled by visiting team, Prospect Broadview. With a 64-31 score line, they wouldn't have been happy with the result. With no rink getting close, expect a bounce back this week when they hit the road to Modbury.
