

In strong winds, driving rain and at times hail, Gawler's Div 1 midweek side dug deep to defeat home team Morphett Vale. In what some would say was a surprise win, they took 3 of the 5 rinks by handsome margins to post an 18 shot victory and move off the bottom of the ladder.

The Div 3 side were close but couldn't quite get the job done, falling short by 2 shots against Playford. Graham Gloede's four snuck home by a solitary shot and Dave Moncrieff's boys almost got the team over the line, 11 shots up at the end of play.

Div 4 had a bye.
