

Gawler's newly promoted Div 1 ladies got their season off to a great start with a 2 shot away win against Brighton. Winning the rinks of Dawn Warland and Lorraine Cram and a tight 3 shot loss to Kay Moncrieff's ladies saw the side take 10 of the 12 points on offer. Welcoming back Marlene Heffernan and Theresa Dean, this team has the firepower to be very competitive in this division. It was a similar story in Div 3 with the team also squeaking home by 2 shots over Hope Valley White. With a 7 shot win to the four of Sandie Raggio and Di Marsh's crew up by 6 at the end of play, it was enough to get them over the line and take the lion's share of the points.
