

Having their chances and in it all day, the Div 1 side ultimately fell short by 7 shots on the road to Rosewater. With 3 of 4 rinks re-jigged, they were still only able to win Shane Bevin's 26-13. With Bevin unavailable for the next 2 weeks, all players will need to improve if they are to post their first win.

After last week's great away win, the Div 4 team would have been disappointed to lose to Para Hills. With 2 rinks apiece, the losses narrowly outweighed the wins with the side falling short by 4 shots. Ross Kirby's and Kym Reynold's fours both posted their second consecutive wins to get their seasons off to a good start.

The Div 5 team couldn't back up last week's win, dominated by Para Hills to the tune of 36 shots. Peter Jones' crew provided the only points, keeping their unblemished record intact with a 1 shot victory. The side will be looking to bounce back with a home game this week against Salisbury Red. Although winning only 1 rink, it was of such an impressive magnitude that it got the Div 6 side a 25 shot win over Playford Red. A score line of 37-7 is huge and came courtesy of Brian Barker and his lads who continue their great early season form.
