

Continuing to put in better performances, Gawler's midweek Div 1 side improved their chances of staying in this division with a 20 shot victory over Lockleys. Winning 4 of the 5 rinks and grabbing 18 of the 20 points on offer will give them confidence to cause an upset when they host top team Tranmere this week.

In a mid table tussle with Tranmere, the Div 3 side were outplayed by the home side to go down by 19 shots. Losing 3 rinks by a significant margin, it was Gordon Nussey's lads who earned the team their 2 points, with a compelling 18 shot win.

Sitting in 4th spot before the game, the Div 4 team were displaced by their opponent, losing to Hope Valley at home in a close match by 5 shots. John Hamilton's boys did their bit, winning their rink by 18 shots but it wasn't quite enough to grab the win.

Thursday bowls were called off when the heat policy was invoked.

Points were shared by each team.

Cheers

Phil
