

It would be easy to see it as a glass half empty situation as Gawler's Div 1 side fell at home to top team Lockleys by 26 shots. However, there were some encouraging signs with no one throwing in the towel and plenty of support for team mates when falling behind. This week is a must win when they face Modbury, lose and there may be no coming back.

The Div 4 team continue to move up the ranks with another polished performance on the road to Tranmere. With a 12 shot win to Teresa Dean's four and a massive 25 shots up to Kym Reynold's crew, they ran out comfortable winners and now sit in 3rd spot on the ladder.

The Div 5 were also impressive in defeating Playford white by 29 shots. Fortunate to stay in this division, they are mounting a good case that they are plenty good enough to be here. Winning 3 of 4 rinks and taking 14 of the 16 points up for grabs, they now sit in 4th place. Peter Jones' four had a great day out, 19 shots up when time was called.

The Div 6 were outclassed by home team Modbury, 42 shots adrift at the end of play. With 2 wins and 3 losses for the season, they are looking for some consistency and will be hoping to square the ledger when they host Hope Valley this week.
