There can be no excuse for Gawler's top ranked team, given a bowling lesson by West Lakes to the tune of 45 shots.
The final score line of 101-56 on a flat, good pace green is a timely reminder that even though dropping a division, there will be no easy games. With only Daryl Kubisch's crew getting close and some ugly boards in other rinks, they now face another away game against Adelaide.
It was always going to be an interesting match up with the two Division 5 sides facing off and it was the Red team that came up trumps. With the rink count 3-1 in their favour, they ended up 17 shots up at the end of play with Brian Lacey's four the best performed finishing 9 shots up. In what some would consider a surprise, the four of Selleck, Thorogood, Roach and Branson earned 2 points for the White team with a 5 shot victory.
The Div 7 received a forfeit.
