

It was a disappointing day for the Gawler Bowling Club with all 4 teams recording losses.

The division 2 side was comprehensively beaten by visiting team Happy Valley.

Falling behind early and even further behind as the game progressed, it was a 29 shot deficit when time was called. Leigh Robert's four, bouncing back from a big loss last week, were the sole winners, finishing 6 shots up. It is into the unknown next week when it travels to face newly promoted Millswood.

It was a similar story for the division 4 team, suffering a 43 shot loss to Playford. Unable to place the blame on the newly laid carpet as it now is not an unreasonable pace and has a good amount of turn, it was simply a bad day of bowling. Kay Moncrieff's crew got the closest, going down by a solitary shot.

The division 5 team mirrored the division 2 result, 29 shot losers with 1 rink win. The reliable four of Peter Cousins, Matt May, Darryle Roach and skipper Shirley Branson made it 3 from 3 to start the season with a 2 shot win over their opponents to bank the side 2 points. It now faces the tough assignment of Para Hills on its tight, heavy deck.

And oddly enough, the division 6 were also 29 shot losers, away to Hope Valley.

Dave Woods four did best, 3 shots down at the end of play. With early season wins carrying some significance, a win on home turf this week against Two Wells is important.
