In a morale boosting performance, Gawler's Div 1 team hung on to defeat last season's Premier League side Modbury. Quick out of the blocks, the home team led by a comfortable margin for most of the day but were reeled in by the visitors and in a tense finish, prevailed by 6 shots. The four of Finlay, Hammill, Roberts and Greenshield continued their good form with a 9 shot win and Paul Uranjek's lads turned around last weeks big loss with a gritty 2 shots up.

The Div 4 side continue to search for their first win but showed some good signs in an away loss to Salisbury. With a draw to Tim Hatcher's crew and a 4 shot win to Kym Reynold's four, the team banked 3 valuable points and with combinations settling and a home game against Payneham in the next round, a win is, hopefully, just around the corner.

It was no points for the Div 5 team when they hit the road to face top team Penfield. Unable to come to terms on a slow and heavy green, they succumbed by 21 shots. Kingsley Branson's charges did best, falling short by a single shot.

An 8 shot rink win for the four of Houghton, Barker, Bradbrook and Fielden wasn't enough to get the job done for the Div 6 side. Visiting team Two Wells were a bit too steady, taking the other 2 rinks and winning the day by 15 shots.
