

Seemingly destined to flirt with the relegation zone for the entire season, Gawler's Div 1 side sits uncomfortably close to it after a 19 shot loss to Hawthorn. Now in 8th spot at the mid season break, they will need to hit the ground running when play resumes in January.

The Div 4 team did the business against lowly ranked Rosewater to move up the ladder to 2nd spot. Winning all rinks, Teresa Dean's four was again impressive with a 22 shot win and Kym Reynold's crew continue their good season, hitting the break as the 3rd best performed rink on the skip ladder. The Div 5 did a pretty good job against 2nd placed Penfield, winning 1 rink and drawing another but still ended up on the wrong side of the ledger, falling by 32 shots. Margie May's four provided the win and can be justifiably proud of their season so far, sitting on top of the skip ladder at the break. The Div 6 team moved up a spot on the ladder with a hard fought 6 shot win against Walkerville. Appearing to be more settled and putting in more consistent performances, they have bolstered their chances of remaining in this division. Darryle Roach's four were the standouts, up by 18 shots when time was called.
