

Gawler's division 5 team bowed out of the finals race after suffering a heartbreaking 1 shot loss to Prospect Broadview.

The club's sole representative in finals action were desperately unlucky not to progress after taking 3 of the 4 rinks, albeit by small margins. Peter Cousins' and Jim Beacham's fours scrapped out 1 shot wins and Barry Bradbrook Snr. and his crew eked out a 4 shot win to all finish on a high but it wasn't enough to get the team over the line. Undoubtedly unhappy with the finish to the season, this group should be happy with it's efforts after recent promotion from division 6 and will be looking to progress further in season 2022/23.
