

Determined to avoid relegation and control their own destiny, Gawler's division 1 ladies left nothing to chance with a gritty 3 shot win over Lockleys. The win ensured a 6th place in this extremely competitive division and with a bit of luck with injuries in the second half of the season could have seen it playing finals as it finished only 1 game out of 4th place. With the winning rink a 7 shot victory courtesy of Maryann Selleck, Karen Sellars, Shirley Branson and Kay Moncrieff, Kay finished a very good season, losing only 4 times over the 18 rounds and being the 3rd best skipper in this division. This team is always in contention for finals and with the introduction and development on new bowlers will be in the mix again next season.

Although falling to lower ranked Modbury by a single shot, the 4 points earned from 2 winning rinks was enough to see the division 3 team sneak into 4th spot by a mere 2 points. Wendy Wright (4 up) and Di Marsh (6 up) guided their charges to their most important wins of the season, wins that will see the side in finals action. Facing Hope Valley in the elimination final will hold no fears for the team as it will be played at a neutral venue, Two Wells and on a green which doesn't favour either side.
