

Modbury at home proved too strong for Gawler's Div 1 ladies, running out victors by 21 shots. No rinks got particularly close but by the same token, none were "blown away".

Remembering that they are newly promoted to this division, their performances are solid and with a 3-2 win/loss count are well in the mix for a finals berth.

The Div 3 team also struggled on Modbury's sluggish green and would have been disappointed with their 22 shot loss. Placed well above them on the ladder, only Sandie Raggio's four could conjure a win. Still sitting in 4th place, they will be looking to bounce back next round when they host lower ranked Semaphore.
