

Despite losing a rink by 2 shots after giving up a 6 on the last end it was the only downside to an otherwise good all round performance. The four of Maryann Selleck, Margie May, Shirley Branson and skipper Kay Moncrieff were dominant with a 33-12 scoreline and Teresa Dean's ladies were equally impressive in a 1 shot win. Although being 13-3 down early, they never threw in the towel and with Lorraine Pearson and Marlene Heffernan promoted from division 3 and acquitting themselves well, it was a gritty and well deserved win for their rink and the team.

In a contest which had little in it all day, the division 3 team hung on for an 8 shot win over Modbury. With new players and combinations due to losing players to the division 1 side, it was a good result and taking 2 of the 3 rinks banked it 10 of the 12 points up for grabs.

Wendy Wright guided her charges to a 4 shot win and the four of Bob Gillies, Bea Stallbom, Sue Robinson and Di Marsh had its nose in front all day to finish 11 up.
