

Gawler's Div 1 ladies proved too strong for visiting team Semaphore, running out winners by 19 shots. Not losing a rink, Lorraine Cram's girls were the most dominant on the green, posting a 16 shot victory. Never seriously threatened and increasing their lead with each end, the win sees them move back into the top 4.

Their ladder positions suggested a close game but the end result was anything but with the Div 3 team completely outplaying Semaphore with an impressive 33 shot victory. With all rinks up and taking the maximum 12 points, they elevated themselves to 2nd spot on the ladder. With only 5 points separating 1st and 4th, they will need to continue to perform at a high level to stay in the hunt for a finals spot.
