

An important away win against 3rd placed Semaphore keeps Gawler's division 1 ladies in touch with the top 4. On yet another blustery day, the ladies took all rinks to finish the match 13 shots up. Most impressive of the rinks was the four of Val Clark, Jackie Goodrich, Kay Skuse and skipper Dawn Warland who won by 7 shots against a previously undefeated rink. The team has an opportunity this week to further improve its position when it hosts newly promoted and lower ranked Blackwood. The division 3 side did itself proud with a tremendous 1 shot win over top team Two Wells. Although winning only the 1 rink, it was a sizeable 9 shots by the four of Gail Harris, Val Blows, Mona Lacey and Wendy Wright and with the other rinks tight, it was enough to get the team over the line. Travelling to Modbury this week, the side is a good chance to add to its win column with the Modbury grass similar in speed and line to the Gawler carpet.
