

Gawler's division 1 ladies have a month to contemplate a big loss to lower ranked Lockleys that finds it sitting in 6th spot but, concerningly, has to face the 3 bottom sides in the second half of the season away from the comfort of home. With all rinks falling by sizeable margins resulting in a 42 shot loss, it will need to regroup and refocus when play resumes after the break as it travels to take on 10th placed Grange on its home turf.

The division 3 team missed a chance to shore up its top 4 spot when it fell to winless Playford by 20 shots. The 1 point earned for the drawn rink of Wendy Wright keeps the side in 3rd spot but only 2 points above 5th placed Hope Valley but with a superior shot differential. With 5 of its last 9 games at home, it has a good chance to improve its position after the break.
