

After playing in last year's finals, it would appear Gawler's Div 1 midweek side has a battle on its hands just to remain in this division. Handed a 39 shot defeat by Toorak Burnside, it sees them struggling for form and languishing at the bottom of the ladder.

Mark Newton's lads were the only bright spot, with their second consecutive win.

In a result that is hard to comprehend, the Div 3 side destroyed Penfield by 99 shots.

Graham Gloede's four won by 22 shots and Gordon Nussey's by a whopping 31 but it was Trevor Grant and his boys who posted the extraordinary score line of 54-2. "Old timers cannot remember a score line coming close to this and is of such a magnitude that it may never be beaten!"

The Div 4 team were handed a bowling lesson when they travelled to Prospect-Broadview. With no rink getting close, they were humbled to the tune of 53 shots. They will hope for a better showing at home next round although it is against the top ranked team.
