

Fighting desperately to stay in this division, Gawler's Div 1 midweek team earned some temporary respite with a 21 shot victory over Walkerville. With a re-jigged side, they won 4 of the 5 rinks, took 18 of the 20 points on offer and moved themselves out of the relegation zone.

It was a different result for the Div 3 team, unable to match it with top four side Salisbury red. Pointless for the day's efforts, they still sit mid-table and will have an interesting game this week when they travel to Tranmere.

The Div 4 missed an opportunity to strengthen their position in the top 4, falling to lowly Kensington Marryatville by 12 shots. Mick Wilkin's crew couldn't have done any more to get the team over the line with a dominant 31-8 win but it wasn't quite enough to offset the losses.
